- Helped relocate a violin shop from Arkansas to Dallas Texas.
- Designed and built-out the new workshop and workbenches.
- Established new customer base in Dallas via online and traditional advertising.

Education:

University of Southern Mississippi   2013

B.M.E Bachelors Music Education

Minnesota State College S.E Technical   2014

Violin Repair Certificate

About Me:

I'm a classical bassist and luthier turned web developer who has learned to channel my creative energy to the digital realm. The challenge of building something from nothing using only my wits is one that I enjoy immensely.

Skills:

- HTML5
- Javascript
- Bootstrap
- Ruby /Rails
- PostgreSQL
- MongoDB
- Mongoose
- Node.js
- React.js
- TDD
